In 1956, Olivia and her twin sister are born to a nun an old auto parts store turned convent in rural Mississippi. Little Olivia doesn't survive the day, but her spunky spirit hangs around and takes on the role of ethereal watchdog over her twin. When the Reverend Mother-and holy guilt-convince the nun's sister (a young pregnant newlywed) to secretly raise the baby as the twin of her own soon-to-be-born child, Olivia realizes the urgency of her presence and support. Not only is her aunt a fanatical Elvis fan, she's a renegade Southern belle, bent on self-indulgence and desperate to safeguard her multitude of sins. Without revealing which girl is her twin until the end, Olivia takes the reader on a flower strewn tour of misguided love and maternal betrayal which culminates at Elvis funeral, where they finally discover the truth of their parentage and unravel the generations of secrets that shadowed their lives.
