

## My Journey with a Remarkable Tree

By Ken Finn

Eye Books. Paperback. Book Condition: new. BRAND NEW, My Journey with a Remarkable Tree, Ken Finn, Ken set off on a journey through Cambodia with the simple and romantic ambition to find the folkloric spirit trees, the powerful connecting force between man and nature. His travels, however, turned out to be anything but simple. Back-wearing motos, immobilising gastric assaults, unexpected road blocks and monkish processions all made their demands on his immense humour. But most dramatically, instead of enriching forests, he found destruction, the black market timber trade and a growing sense of despair. And with these he found a new voice as he follows the trees on their 'journey' to the furniture factories of Vietnam and subsequently a house somewhere on the North Circular, London. The book chronicles his journey not just through SouthEast Asia but the inner transition from traveller to activist. It charts the unlocking of a conscience and the discovery of a new sensitivity and passion showing that we don't need a major shift in our behaviour to save the destruction and corruption of our planet and it is important to care.
