Random House USA Inc, United States, 1999. Paperback. Condition: New. New edition. Language: English . Brand New Book. Over the years I have been proud to write about the men and women of the American frontier. But I have written many stories with entirely different settings which I have long wanted to share with my readers. I have collected some of these in Yondering. They are glimpses of what my own life was like during the early years. Those were the rough years; often I was hungry, out of work and facing situations such as I have since written about. Although these stories take place in a variety of locales, they are stories of people living under conditions similar to the way they might have lived on the frontier. I hope you ll enjoy Yondering. --Louis L Amour.
