

Beekeeping in the South: A Handbook on Seasons, Methods and Honey Flora of the Fifteen Southern States (Classic Reprint) (Paperback)

Filesize: 9.03 MB

Reviews

Basically no words and phrases to describe. It is really simplified but unexpected situations in the fifty percent of your book. I am delighted to let you know that here is the very best publication i have got go through within my very own lifestyle and might be he greatest publication for actually.

(Watson Kohler)

BEEKEEPING IN THE SOUTH: A HANDBOOK ON SEASONS, METHODS AND HONEY FLORA OF THE FIFTEEN SOUTHERN STATES (CLASSIC REPRINT) (PAPERBACK)**DOWNLOAD**

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Beekeeping in the South: A Handbook on Seasons, Methods and Honey Flora of the Fifteen Southern States An impression gained is that beekeeping operations differ but little in the South from those in vogue elsewhere, except mainly in the time of their application. We have little criticism of methods in vogue in the South, except the lack of winter protection of any sort in too much of this region. Box hives are too prevalent in many areas of the South, but so they are in the North. An impression of southern beekeepers is their eagerness to learn modern methods, where they happen to be unknown, and to put them into practice. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
