Reviews

Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

COMMUNITIES OF COMPLICITY: EVERYDAY ETHICS IN RURAL CHINA

Berghahn Books, United Kingdom, 2015. Paperback. Book Condition: New. Reprint. 229 x 152 mm. Language: English . Brand New Book. Everyday life in contemporary rural China is characterized by an increased sense of moral challenge and uncertainty. Ordinary people often find themselves caught between the moral frameworks of capitalism, Maoism and the Chinese tradition. This ethnographic study of the village of Zhongba (in Hubei Province, central China) is an attempt to grasp the ethical reflexivity of everyday life in rural China. Drawing on descriptions of village life, interspersed with targeted theoretical analyses, the author examines how ordinary people construct their own senses of their lives and their futures in everyday activities: building houses, working, celebrating marriages and funerals, gambling and dealing with local government. The villagers confront moral uncertainty; they creatively harmonize public discourse and local practice; and sometimes they resolve incoherence and unease through the use of irony. In so doing, they perform everyday ethics and re-create transient moral communities at a time of massive social dislocation.
