Reviews

The most effective publication i at any time go through. This is certainly for all those who statte that there had not been a worthy of looking at. Its been printed in an extremely straightforward way which is merely soon after i finished reading this publication where basically changed me, change the way in my opinion.

Granta Books. Paperback. Book Condition: new. BRAND NEW, The Book of Dead Philosophers, Simon Critchley, The question of what constitutes a 'good death' has been the central preoccupation of philosophers since ancient times. Many of the 190 philosopher's deaths included here are bizarre, and tales of madness, murder, pathos (and bathos) abound. Heracleitus suffocated in cow dung; Empedocles leapt into a volcano; Jeremy Bentham had himself stuffed and sits on public view in University College London - "The Book of Dead Philosophers" will inspire both amusement and reflection. Looking at what great thinkers have said about death turns out to be a life-affirming enquiry into the meaning and possibility of human happiness. In learning how to die, we learn how to live.
