MX Publishing, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.When Erin, Ohio native Jamie Ellicott returns home as best-selling author James Ivanhoe after a 13-year absence, it s like the return of the Prodigal Son. His ill and aging father welcomes him with open arms. Ivanhoe s two brothers, however, are less forgiving. The whole town gets drawn into the family drama when Ivanhoe seeks to march in the annual St. Patrick s Day parade under the banner of an anti-technology group called the Ned Ludd Society. That s a thumb in the collective eye of his siblings, who own a company that makes microcircuits. As a member of the parade committee, St. Benignus University communications director Jeff Cody has a stake in what soon becomes a heated national debate. But to his genius brother-in-law Sebastian McCabe, the contretemps becomes less important than investigating murder in the Ellicott family. Erin Go Bloody once again demonstrates the skill that caused best-selling novelist Bonnie MacBird to call Dan Andriacco a master of mystery plotting.
