Reviews

This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.

HERA LINDSAY BIRD (PAPERBACK)

Penguin Books Ltd, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Without doubt the most arresting and original new young poet, on the page and in performance - Carol Ann Duffy New Zealand's best-selling collection, from the mysterious force behind such poems as Monica (the one from Friends) and Keats is Dead so F**k Me from Behind this impressive debut has established Hera Lindsay Bird as a good girl. with many beneficial thoughts and feelings. with themes as varied as snow and tears, the poems in this collection shine with the fantastic cream of who she is. juxtaposing many classical and modern breezes Bird turns her prescient eye on love and loss, and what emerges is like a helicopter in fog. or a bejewelled Christmas sleigh, gliding triumphantly through the contemporary aesthetic desert. this is at once an intelligent and compelling fantasy of tenderness. heart-breaking and charged with trees. without once sacrificing the forest. whether you are masturbating luxuriously in your parents sleepout. or pushing a pork roast home in a vintage pram. this is the book for you. heroically and compulsively stupid. whipping you once again into medieval sunlight. PRAISE FOR HERA LINDSAY BIRD I think there's a pretty strong case which suggests Hera Lindsay Bird is like the most exciting newish poet in NZ - Steve Braunias Hi, dear, we have to say how much we enjoyed, if right word, the Hate poem. Really made us think, loved the line about the ancient cannon - Text message from Ashleigh Young's mum The wickedest problem in Hera Lindsay Bird is not sex but taste - John Newton.
