Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Jack Hamma is at it again. This is a relentless and, dare I say it, humorous thriller where every move is a false start and every clue is a red herring. Private eye, Jack Hamma, faces the Hong Kong Mafia, better known as the Triad, and gets mixed up in a deadly turf war where knives and cleavers are the order of the day. Engaged to protect a beautiful Chinese girl, daughter of the Triad Dragon Master, February Ling, Jack fouls up big time, can he pull everything together and sort out the mystery or will the Triad s infighting see the end of our indomitable hero. Another great Jack Hamma adventure, it ended with a twist that took me utterly by surprise. I have read a lot of detective fiction in my time but none was as inventive and original as the Jack Hamma books. The stories are serious yes but they are also fun, humorous and just a lot of Laughs, lol.
