

Alcohol: No Ordinary Commodity: Research and Public Policy

By Professor Thomas F Babor

Oxford University Press, United Kingdom, 2010. Paperback. Book Condition: New. 2nd Revised edition. 232 x 156 mm. Language: English . Brand New Book. Alcohol: No Ordinary Commodity - Research and Public Policy Second Edition is a collaborative effort by an international group of addiction scientists to improve the linkages between addiction science and alcohol policy. It presents, in a comprehensive, practical, and readily accessible form, the accumulated scientific knowledge on alcohol research that has a direct relevance to the development of alcohol policy on local, national, and international levels. It provides an objective analytical basis on which to build relevant policies globally and informs policy-makers who have direct responsibility for public health and social welfare. By locating alcohol policy primarily within the realm of public health, this book draws attention to the growing tendency for governments, both national and local, to consider alcohol misuse as a major determinant of ill health, and to organize societal responses accordingly. The scope of the book is comprehensive and international. The authors describe the conceptual basis for a rational alcohol policy and present new epidemiological data on the global dimensions of alcohol misuse. The core of the book is a critical review of the...
