Essentials of Surgery: With STUDENT CONSULT Online Access (Paperback)

By James M. Becker, Arthur F. Stucchi

Elsevier Health Sciences, United Kingdom, 2006. Paperback. Condition: New. Language: English . Brand New Book. Essentials of Surgery efficiently delivers the knowledge you need to succeed in medical school and surgical residencies. More than 80 respected academic surgeons from leading institutions across the United States synthesize the most important information from the field. Essentials of Surgery will get you through this complex and dynamic specialty - expertise you'll turn to for years to come. Zeroes in on the hands-on know-how necessary to diagnose and manage the full range of surgical diseases, including only the minimum basic science needed to meet these clinical challenges. Considers surgery within the full armamentarium of therapeutic options, not simply as the sole route for treatment. Emphasizes minimally-invasive surgery, ambulatory surgery and new surgical technologies to reflect the realities of today's practice. Uses Pearls for the OR and Pearls for Rounds to convey key information at a glance. Includes hundreds of original full-color illustrations to make concepts clear. Includes one-year access to Sabiston Textbook of Surgery, 17th edition. Includes access to - where you'll find the complete text and illustrations of the book online, fully searchable ½ Integration Links to bonus content in other...
