Reviews

A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It has been designed in an extremely basic way which is merely right after I finished reading through this publication where it basically altered me, change the way I believe.

Brand New Book ***** Print on Demand *****.Excerpt from *Laura Dibalzo: Or the Patriot Martyrs; A Tragedy* Whatever the reader may think of the acts and words of the leading characters in this Tragedy, there is nothing set down which the history of the Neapolitan Government of that period docs not fully and literally declare and corroborate, whether in atrocious cruelties or heroic fortitude of resistance. These scenes were written, for the most part, during the lifetime of Joseph Mazzini, from whom I derived much information; availing myself also of what is contained in his published writings, and in the narratives of Silvio Pellico, Baron Carlo Poerio, and other Italian martyrs to political liberty. Several of my characters are portraits, the faithfulness of which will easily be recognized by those readers who are conversant with the history of Naples during the time in question.
