Brilliance Audio. No binding. Condition: New. Dimensions: 6.7in. x 5.3in. x 0.5in. In this controversial, thought-provoking, and brilliant book, renegade thinkers Christopher Ryan and Cacilda Jeth debunk almost everything we know about sex, weaving together convergent, frequently overlooked evidence from anthropology, archaeology, primatology, anatomy, and psychosexuality to show how far from human nature monogamy really is. In *Sex at Dawn*, the authors expose the ancient roots of human sexuality while pointing toward a more optimistic future illuminated by our innate capacities for love, cooperation, and generosity. A scandal in the best sense. . . . This book takes a swing at pretty much every big idea on human nature: that poverty is an inevitable consequence of life on earth, that mankind is by nature brutish, and, most important, that humans evolved to be monogamous. Kate Dailey, *Newsweek* My favorite book of the year. . . . Good humor, sharp writing, and remarkable asides. . . . It casually and effectively demolishes a Solomons Temple worth of conventional wisdom about something we thought we understood pretty well: who we are. It made me wonder how much else of what I think I know is wrong, and it makes me eager to find out. Peter Sagal, *National Public Radio* This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. MP3 CD.
