This book is about my journey to recovery during a painful period in my life and how God cured me of the incurable disease called cancer. When you hear the word cancer, it seems as though everything has come to a complete stop and all hope is lost with the future uncertain. I write this book to encourage and let anyone out there, dealing with same or similar situation, know that there is a great future and hope in God through our Lord Jesus Christ. Maybe you are going through a different challenge in life, one problem or another, know that with God, nothing shall be impossible.
