

Pathologic Basis of Veterinary Disease Expert Consult (Hardback)

By -

Elsevier - Health Sciences Division, United States, 2016. Hardback. Condition: New. 6th Revised edition. Language: English . Brand New Book. Diagnose and manage diseases using the newest information and research! Pathologic Basis of Veterinary Disease - Expert Consult, 6th Edition provides complete, illustrated coverage of both general pathology and the pathology of organ systems of domestic animals. Addressing species from dogs and cats to pigs and cattle - and many more - this reference describes the lesions and pathogenesis of diseases, how cells and tissues respond to injury, and the interplay of host defense mechanisms with microbes and injurious agents. Updates include the latest scientific advances and diagnostic information. Written by a team of expert contributors, this book includes an Expert Consult website with access to the complete digital book plus thousands of images and guidelines for sample acquisition and for performing a complete necropsy. Complete coverage of both general pathology and pathology of organ systems is provided in one convenient resource, and includes the latest information available. Over 20 recognized experts deliver the most relevant information for the practitioner, student, or individual preparing for the American College of Veterinary Pathology board examination. UPDATED content on cellular and organ system pathology includes the...
