Dive into the world of Grayscale Coloring Grayscale coloring is fast becoming the favorite way to color. With true to life images, high-or-lowlighted in all the shaded or non-shaded areas, and no restraining outlines, grayscale coloring allows the colorists of today to produce realistic, beautiful pieces of artwork ready for display. All of the designs in this coloring book have been specially selected with grayscale colorists in mind, no matter their ability. To bring these modern-life-inspired women to life, its recommended to use colors that match the shaded areas in depthdark colors for the darker tones, lighter colors for the lighter tones, and medium shades for the tones in between. Give it a try: Set their hair aflame, spark their eyes alight, and awake their personalities. This item ships from La Vergne, TN. Paperback.
