Reviews

This ebook may be worth a go through, and superior to other. I could comprehend every thing out of this published e pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Prof. Damien Schuster PhD)

CANADA IN COLOURS (PAPERBACK)

Kids Can Press, Canada, 2013. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Popular artist Per-Henrik Gurth showcases Canada's diverse landscapes in his third Canadian-themed concept book for the young. As in the earlier bestsellers ABC of Canada and Canada 123, the book encompasses all major regions of Canada. This time, Per-Henrik takes children on a countrywide exploration in brilliant color. The distinctly Canadian images --- white snow, green spruce, red PEI dunes, blue St. Lawrence River, yellow wheat fields --- will delight Canadians and tourists alike. Multi-colored northern lights are the perfect end to this eye-pleasing journey. The bold, bright art and simple text give pre-readers a valuable introduction to color --- and to their beautiful country.
