Reviews

This type of book is almost everything and helped me hunting forward and more. I was able to comprehend almost everything using this published e pdf. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Edwardo Ziemann)

PLURALISM, JUSTICE, AND EQUALITY (PAPERBACK)

Oxford University Press, United Kingdom, 1995. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.

The essays in this book by a group of leading political theorists assess and develop the central ideas of Michael Walzer's path-breaking *Spheres of Justice*. Is social justice a radically plural notion, with its principles determined by the different social goods that men and women allocate to one another? Is it possible to prevent the unequal distribution of money and power from distorting the allocation of other goods? If different goods are distributed by different mechanisms, what (if any) kind of social equality is possible? Are there universal principles of justice which apply regardless of context? These and other related questions are pursued in depth by the contributors. The book concludes with an important new essay by Walzer in which he reflects on the positions taken in his original book in the light of the critical appraisals presented here.
