Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Narrative of the Naval Operations in Ava, During the Burmese War, in the Years 1824, 1825, and 1826 The history of the Burman empire, comprising the kingdoms of Ava and Pegu, is detailed at some length in the introductory part of Symes s Mission to the capital. A succinct and connected view of the events in that quarter, in the years 1824, 1825, and 1826, is prefixed to a collection of political and military documents, illustrative of the Burmese war, published at Calcutta, by Horace Hayman Wilson, Esq. in 1827. The operations of Sir Archibald Campbell s army, from its landing at Rangoon, to the conclusion of a definitive treaty of peace at Yandaboo, have been partly detailed by Major Snodgrass; but, although some of the naval officers who served in conjunction with that force are known to be amply endowed with every requisite qualification to treat the subject as it merits, not one has yet stepped forward to do it justice. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
