Atlantic Publishing Co. Paperback. Book Condition: new. BRAND NEW, The Complete Guide to Beekeeping for Fun & Profit: Everything You Need to Know Explained Simply, Cindy Belknap, Bee-keeping is both a hobby and a practical business plan that many individuals have taken up in recent years as a viable way to culture a valuable natural resource and have fun in the process. In any given year, an effectively built bee-keeping business can bring profits up to 500 percent of your investment according to numerous private bee-keepers. The benefit of growing your own honey and selling it to local customers for between \$3 and \$6 a pound depending on how you cultivate and whether your honey is completely organic can be a huge boon for anyone with the money and time to invest. This book walks all motivated potential bee-keepers through the process of building and operating their bee-keeping business from the ground up, ensuring it is both a fun hobby and a great way to make a little extra money on the side. You will learn everything you need to effectively start bee-keeping for profit and fun, including what materials you need, what kinds of bees are best for honey or wax production. You will learn all of the fundamental safety equipment you need to effectively handle the bees and where to place your hives on your property to take advantage of natural circumstances. You will learn the basics you need to understand what bees do and how they interact, including details about the queen bee, the worker bees, drones, and foragers. You will learn how seasonal changes affect your colonies, and how to use your smoke to access and gather honey from your bees. The best in home bee-keeping professionals have been interviewed and their expertise and insights have...
