School nurses serve at the front lines of the everyday struggle for our childrens health, yet they are often perceived as little more than glorified dispensers of bandages. This false perception, held by many parents, officials, and administrators, does a serious disservice to this dedicated group of health professionals. Angels in Disguise tells the history of school nursing through the eyes, ears, and hearts of school nurses serving throughout the United States. By sharing their personal experiences, these nurses illustrate their love and compassion and throw the doors wide open on this often-undervalued profession, enabling readers to see into their world and understand how much they truly care for the children they treat. This collection of heartwarming stories offers unique insight into the daily responsibilities and duties of school nurses and serves to raise public awareness of the dedication, leadership, and exemplary pediatric health care provided by the devoted women and men who care for Americas schoolchildren. The sophisticated medical health care required in schools today can only be delivered by qualified professional school personnel, and that challenge is met by having a school nurse in every school facility. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
