Friendship is one theme with which everybody can relate. The friendship theme helps to make learning enjoyable, even at home. This unique cursive handwriting workbook begins with basic practice of individual letters and gradually builds up to more advanced writing with complete sentences. Six chapters of this workbook help students develop their cursive writing skills in stages: Part 1 begins with practice tracing and copying cursive letters. Part 2 consists of tracing and copying cursive words. Part 3 progresses onto tracing and copying phrases. Part 4 advances onto short sentences without tracing. Part 5 challenges students to rewrite printed text with cursive handwriting. (Students can check their answers at the back of the book.) Part 6 includes writing prompts to encourage cursive handwriting practice. May your students or children (or you!) improve their handwriting skills and enjoy reading and writing these friendship-themed writing exercises.
