By Sharon A Wynne

XAMOnline.com. Paperback. Book Condition: New. Paperback. 525 pages. Dimensions: 10.8in. x 8.4in. x 0.9in. Are you ready to become a high school Math teacher in Texas? Use XAMonline's TExES Math 7-12 study guide to help you pass your teacher certification exam and advance your career. Aligned with current TExES standards, our study guide provides a comprehensive review of all six domains, including number concepts, patterns and algebra, geometry and measurement, probability and statistics, mathematical processes and perspectives, and mathematical learning, instruction and assessment. We give you a thorough review of all domains, competencies, skills, and focus statements tested on the TExES Math 7-12 (235) exam. Unlike other teacher certification test preparation material, our TExES Math 7-12 study guide drills all the way down to the focus statement level, providing detailed examples of the range, type, and level of content that appear on the test. The book includes three full-length multiple-choice practice tests to help you test your knowledge, understand how the exam is weighted, and identify skills and competencies you need to focus on. Our detailed answer explanations reference related skills in the book, allowing you to identify your strengths and weaknesses and interact with the content effectively. Maximize your study...
