

The Thread of Identity (Paperback)

By Ronald Ram

Amberley Publishing, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book. This is a book to set you thinking about how we live our lives. Starting in the fourteenth century, it tells the story of a middling family over the course of 600 years, set in its work-a-day local contexts - social, economic, and political. Its story is used to unravel our Thread of Identity . As well as the story of the Ram family, there are several other themes or strands. How community belonging is formed in individuals and local groups, and how the past can inform current concerns about weakness in community life are explored in depth. We do not realise today the key part small local communities and groups have played in shaping our current society. Another theme finds new ways of interlinking the disciplines of history, sociology, psychology and genetics. The Thread of Identity will appeal to those who enjoy reading about history or current affairs, to historians or sociologists who have a professional interest in its themes, and to administrators, policy makers and politicians who will be challenged by the ideas developed about community building . It will also provide encouragement to people...

Reviews

Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Enrique Labadie**

These kinds of ebook is the ideal book readily available. Better then never, though i am quite late in start reading this one. You may like the way the blogger publish this ebook.
