August House Publishers, United States, 2016. Paperback. Condition: New. Reprint. Language: English . Brand New Book. From the Books of Nine Lives series by award-winning author, Pleasant DeSpain. Insects have always been a part of the human existence. Whether they ve annoyed us with buzzing, bites, or stings, or fascinated us with their complexities, we have noticed them enough to give them personalities and histories. These tales make us aware that insects exist for a purpose. Because these stories humanize insects, they can also show us our own foibles and strengths. Tales of tricksters and heroes, teachers and fools, come from countries all over the world, including: West Africa (Why Ants Carry Heavy Loads), Fiji (Butterfly s Bet), Mexico (Grasshopper s Army), and Jamaica (Firefly Lights the Way).Pleasant DeSpain is the author of numerous collections of multicultural stories, including the highly regarded Thirty-Three Multicultural Tales to Tell, Sweet Land of Story, and The Emerald Lizard. He has traveled all over the United States and the world, collecting stories to share with children and adults.
