By Dianne Battle

Createspace, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Dianne Battle shares the challenges, trials, thought, moods, attitudes and reflections of her heart and soul during her time of battling breast cancer from May 2002 to July 2005 and the significance that faith in the sacrifice of Jesus Christ and in the love and grace of God can make in a life during such a time. As she faced the seriousness of her condition, diagnosis of breast cancer in the advanced stage, surgeries, chemotherapy, radiation treatments, loneliness and feelings of rejection, abandonment and depression, she found strength in the loving and very real Presence of a gracious and merciful Heavenly Father as she met with Him in prayer, praise and worship, and Scripture reading and meditation each day. After three years of emotional highs and lows, much medical attention and prayers and intercession of Christian friends and family, God who had promised at the onset of the disease, Fret not, My child, you shall live! did exactly what He had promised. He brought her through this valley of breast cancer and out into the sunshine of life again.
