## CHRYSLER PT CRUISER

Alphascript Publishing. Taschenbuch. Book Condition: Neu. 220x150x5 mm. Neuware - The Chrysler PT Cruiser is a retro-styled compact automobile that was first launched by Chrysler as a sedan/hatchback in the late 1999 (for the 2000 model lineup) and as a coupe/convertible in early 2005 (for the 2005 model lineup). Originally conceived as a Plymouth model, the PT Cruiser received the Chrysler nameplate on introduction in anticipation of the 2001 discontinuation of the Plymouth brand. The PT Cruiser was designed by Bryan Nesbitt, who later also styled the Chevrolet HHR. The name PT Cruiser includes the initialism PT, standing for and designating the car's platform as well as production code. The name also recalls the 1930s line of Plymouth Trucks known by the 'PT' moniker. The convertible officially ceased production December 21, 2007, but the last 2007 convertibles were marketed as 2008 models. On January 12, 2009, Chrysler LLC, under the private equity Cerberus Capital Management investor, also announced the gradual discontinuation of the main model. On July 6, 2009, after reorganization into the 'New Chrysler', the company changed plans to discontinue the model by specifying that it will do so for Canadian and Mexican markets only. 96 pp. Englisch.
