

## Demosthenes, Speeches 50-59 (Paperback)

By -

University of Texas Press, United States, 2003. Paperback. Condition: New. Language: English . Brand New Book. This is the sixth volume in the Oratory of Classical Greece. This series presents all of the surviving speeches from the late fifth and fourth centuries BC in new translations prepared by classical scholars who are at the forefront of the discipline. These translations are especially designed for the needs and interests of today's undergraduates, Greekless scholars in other disciplines, and the general public. Classical oratory is an invaluable resource for the study of ancient Greek life and culture. The speeches offer evidence on Greek moral views, social and economic conditions, political and social ideology, law and legal procedure, and other aspects of Athenian culture that have been largely ignored: women and family life, slavery, and religion, to name just a few. Demosthenes is regarded as the greatest orator of classical antiquity; indeed, his very eminence may be responsible for the inclusion under his name of a number of speeches he almost certainly did not write. This volume contains four speeches that are most probably the work of Apollodorus, who is often known as the Eleventh Attic Orator. Regardless of their authorship, however,...
