UNEARTHNG VENUS: MY SEARCH FOR THE WOMAN WITHIN (HARDBACK)

Watkins Publishing, 2013. Hardback. Condition: New. Language: English . Brand New Book. In the tradition of Eat, Pray, Love and Cheryl Strayed s Wild comes a fresh voice in women s non-fiction. Join Cate Montana on an amazing journey into the heart of the Amazon jungle, up staggering peaks in the Andes, and halfway across the globe to the consecration of a temple to the Great Goddess in southern India as she searches for the missing Feminine within herself and Western Culture. Raised in a man s world to be just one of the guys, Cate was a highly successful network TV editor and journalist, self-admittedly brash, driven and highly competitive. While on assignment a chance encounter with a shaman sets her on the path of unearthing the illusive power of the feminine. In a raw and wrenching recapitulation of her life Cate discovers the devastating absence of feminine qualities within herself and the withering personal and global consequences of having only one paradigm available for her to express through: the masculine P values of Power, Possessions, Profit, and Progress. An intelligent, compellingly honest and frequently funny memoir of a modern woman s search for her own unrecognized feminine spirit, Unearthng Venus is both a visionary and everywoman story that brilliantly captures what it is to be a woman today and everyday.
