## IMMEDIATE LOADING OF DENTAL IMPLANTS

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | The immediate loading protocol offers patients a number of significant advantages, compared to traditional implant-placement protocols. The number of visits required is minimal. Furthermore, this approach virtually eliminates post-surgical discomfort while offering an almost instantaneous improvement in speech and masticatory function, esthetics, and patient's self-image. The overall dental experience becomes a positive one helping to counterbalance the negative histories that so often create the dental phobias that lead to dental deterioration. [...]
