Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A provocative challenge to the modern day practices of the Jewish, Christian and Catholic religions. Replacement Theology reveals the subtle shift from the mandates of Scripture to the inclusion of pagan and man-made traditions and practices within each of these religions. Herein is presented a concise revelation that threatens to overturn centuries of religious abuse and practice within each of these religions. The source and foundation for these challenges lies in the Bible and what the God of Abraham, the God of Isaac, and the God of Jacob expects from each of us.
