Environmental Law and Policy (4th Revised edition)

By James Salzman, Barton H. Thompson

West Academic. Paperback. Book Condition: new. BRAND NEW, Environmental Law and Policy (4th Revised edition), James Salzman, Barton H. Thompson, Environmental Law and Policy is a user-friendly, concise, inexpensive treatment of environmental law. Written to be read pleurably rather than used as a dry reference source, the authors provide a broad conceptual overview of environmental law while also explaining the major statutes and cases. The book is intended for three audiences - students (both graduate and undergraduate) seeking a readable study guide for their environmental law and policy courses; professors who do not use casebooks (relying on their own materials or case studies) but want an integrating text for their courses or want to include conceptual materials on the major legal issues; and practicing lawyers and environmental professionals who want a concise, readable overview of the field. For the fourth edition, to provide students a deeper understanding of how environmental law works in practice, a new Chapter has been written on Enforcement. A series of problem exercises have been added throughout the book, describing a legal or policy conflict in detail and asking students to identify and assess solutions. The first part of the book provides an engaging discussion of...
