Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from **Sba Fiscal Year 1997 Budget: Hearing Before the Committee on Small Business, House of Representatives, One Hundred Fourth Congress, Second Session, Washington, DC, March 21, 1996** There are many methodological questions that omb had to work through. It was only in recent weeks, as we were discussing this budget, the President s budget submission to you, that this change in the subsidy rate became clear to us. It is not a matter of with holding any information; it is a recognition of the past. We believe that this is a course correction. The important point is this. These loans in the early 80 s and mid-80 s were a good deal for Americans then, and they are still a good deal. Our loss rate is still percent. Now, if you compare that with commercial institutions, it com pares very favorably with most conservative financial institutions. However, there is a difference between the loss rate and what the actual dollar recovery is. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
