

Growing Lavender and Other Poems

By Iris Lee Underwood

Wheatmark, United States, 2007. Paperback. Book Condition: New. 198 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.More than a book of poems on gardening and the art of living, Growing Lavender and Other Poems is a collection to be savored: a modern woman's Walden that chronicles Iris's journey through everyday joys and loss. There is delight in the heady scent of lavender, seeing a smiling black dog racing and recognizing you've seen something amazing in this crazy world. There is also sorrow of a lost blue-eyed child and a mother with Alzheimer's who concludes, There's too much to remember. Iris's quieted mind speaks courage and beauty to everyone who has ever lost a loved one or cherished a garden.
