THE POWER OF GRAMMAR: A PHENOMENOLOGICAL APPROACH (PAPERBACK)

Waldorf Publications, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. Grammar is the basic structure of our language and is difficult to teach creatively in any language -- especially English. And yet beautiful, artistic work requires structure and grammar is essential for powerful, clear writing. Anne Greer, an experienced language arts teacher, here offers a wonderful survey of English-language grammar teaching, drawn from a colloquium of Waldorf language arts teachers. Her lively interchanges with the teachers, sharing their experiences in their classrooms, demonstrate ways to make any language truly living. Teachers and parents will appreciate the numerous examples, depth of investigation and creative approaches this book presents.
