Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Daisy Miller A Study in two Parts By Henry James Daisy Miller is an 1878 novella by Henry James first appearing in Cornhill Magazine in June-July 1878, and in book form the following year. It portrays the courtship of the beautiful American girl Daisy Miller by Winterbourne, a sophisticated compatriot of hers. His pursuit of her is hampered by her own flirtatiousness, which is frowned upon by the other expatriates when they meet in Switzerland and Italy. Annie Daisy Miller and Frederick Winterbourne first meet in Vevey, Switzerland, in a garden of the grand hotel where Winterbourne is vacationing from his alleged studies (although an attachment to an older lady is rumoured). They are introduced by Randolph Miller, Daisy's 9-year-old brother. Randolph considers their hometown of Schenectady, New York, to be absolutely superior to all of Europe. Daisy, however, is absolutely delighted with the continent, especially the high society which she wishes to enter. Winterbourne is at first confused by her attitude, although greatly impressed by her beauty, but soon determines that she is nothing more than a young flirt. He continues his pursuit of Daisy in spite of the disapproval of his aunt Mrs. Costello, who spurns any family with so close a relationship to their courier as the Millers have with their Eugenio. She also thinks Daisy is a shameless girl for agreeing to visit the Chateau de Chillon with Winterbourne after they have known each other for only half an hour. Winterbourne then informs Daisy that he must go to Geneva the next day. Daisy feels disappointment and chaffs him, eventually asking him to visit her in Rome later that year.
