Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Welcome to the world of the Nephirians. You thought it was your world, but you thought wrong. There are things we don't understand, because reality exists in layers, and the underlayer is beyond us, better than us. Tyrannical, fantastical, hypnotic. Most of us remain ignorant, because ignorance is joy until death in the Bower of Bliss. You were dealt a different hand, I'm afraid, and now it's come down to do or die. Surrender to madness, or surrender to your darkest wish. Meet Zyne Xavier, reigning monarch of Maybridge County, and quite possibly the devil himself. His beauty is unparalleled, his power is shocking. Look through the windows of his glowing golden eyes, and think of how much you never knew, and how much it seems you never will. You won't lose yourself, because you're already lost. Soon, it will come time to meet your maker now--the hero of every dream you have ever forgotten. He's waiting for you! Wake up! Follow the exhilarating song of his heart, and step into the fantasy. You always knew your story would be great.
