Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Shortly: 33+ ways to improve your mood and raise your vibration. This book is not for those who want to get things manifested with Law of Attraction. This is for those who maybe started like this (we all probably started like this, and maybe still start like this in every tense situation), but at some point realized, that it works differently, that it is an emotional path. We align so that we could feel better, directly. And then the things come, too, as a bonus. But we do it initially more for our integrity, or because of our integrity: because we understand the vibrational nature of everything. If you're one of us, this book might not only be useful for you, - you might enjoy it, as much as we do. Or more. :) You can use these templates of thoughts in your focus wheels and other types of vibrational work/play. It can just be a path of least resistance for you. In some being down cases simply reading this book can help to raise your mood so that you feel lighter, so that life becomes more delicious for you. It addresses the following states (this is the table of contents): #1. When you miss someone #2. When you're wobbling back and forth #3. When you feel aligning as getting tense #4. When you're doubting #5. When you fell back #6. When you feel desperate, helpless, afraid #7. When you're tired of being afraid #8. When you feel humiliated or pathetic for having that problem #9. When you face a crisis #10. Next thought #11. When you can't see any good...
