This is a light hearted story that follows the author s somewhat intricate life. The journey begins with his idyllic childhood. Comfortably nestled in the bosom of a happy family, he is surrounded by normality and the suburban life that most post war families seemed to strive for. The sleepy village of Shepperton was a good place to flourish during the fifties, and these halcyon days were made easier by sharing his adventures with an identical twin brother. All is well until his universe is shattered by the illness of his father. The privation wasn t total but empty tummies and days without water or electricity were becoming common place. The sudden death of his Mother when he is sixteen forces the issue and he has to leave his sanctuary of childhood and fend for himself. Whilst trying to survive in bed-sit land (albeit in the stockbroker belt of Surrey) the cash strapped contrasts of his late youth spur him on to try as hard as he can to climb from the depths and change his fortune. The story traverses his totally unprepared working life that starts when he leaves school unable to read or write. He perseveres and manages to keep himself employed, fed and clothed, but only just. He survives by living off London Grills and baked beans on toast. After his Father s death he moves on, and somehow manages to find a wife and subsequently provide for her and their two children. The odyssey carries the reader through some bazaar exploits. Some successful, some unsuccessful, as he searches in dogged determination to find his idyll. His maladroitness bumbles from one...
