Trafford Publishing, Canada, 2010. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.I have known Dr. Massey for a number of years. During that time, he had quietly and consistently completed an amazing number of incredible humanitarian projects while conducting a very successful professional life. While serving as the school superintendent of the largest K-8 public school system in California, I asked him how he found the time and resources to help so many of the children in my district. Mind Realignment - Naked Secrets for Building a Better You is his answer to my question. It is a remarkable collection of thought and advice intended to unleash the power within you. I have met many people who enrich the world through serving their fellow man. But very few have succeeded in accomplishing the goals that they set for themselves and almost no one sets the bar as high as Dr. Massey. I urge you to read this book. I will be applying its message chapter by chapter, day by day to my own life and work. Dr. Massey is a tough act to follow, but he has left a trail for us to take, if we will only aspire to making the world a better place. The Honorable Jean Fuller, PhD. State of California Assembly Member, 32nd District If you are looking for practical wisdom, incisive insight, hearty encouragement and wisdom both current and past, look no further! Drawing widely from many sources as well as using his own pen, Manzoor Massey has provided us all with what we much need-wisdom for life. This book will, no doubt, bless and inspire and challenge and change you. Randall L. Roberts, Senior Pastor Loma Linda University, Loma Linda, California Practical, simple, but provocative tool to realign...
