Her smile deepened. True marriage is a love so big that no one else can even see it and so big that you and your lover cant see anything else. But its little things accumulating every day that make it so big, and sometimes its the tiniest things of all that let you see the whole. You can always spot the unhappy couples, because theyre always squabbling, especially when theyre pretending not to. And you can just feel the happy couples, because their love for each other seems to cascade over everything. But you can never be sure, when you see any particular object or incident, if what youre looking at is just a jar of instant coffee, or if its a little episode in a decades-long act of love between two people who really know how to make love with each other. . . She pulled her dog up into her lap. I like that. I like it in my own marriage, but I like to think that way when I see other people: This all looks so mundane and pedestrian to me, but thats only because I cant see all the secret love-making going on in the seemingly-meaningless details. I know my own life is much richer than anyone else could guess. How much dont I know about other peoples lives How were they rescued from despair by something too small for anyone else to notice. . . The world is just out there. Happy or sad are ideas you impose on it. Some days it rains and some days it freezes, but how you take it really...
