Zeus Publications, Australia, 2014. Paperback. Condition: New. New. Language: English . Brand New Book ***** Print on Demand *****.Meet Hector Davis, a forty-year-old town planner who loves his wife and teenaged daughter. He enjoys listening to Kiss, Gary Glitter and T-Rex. He also occasionally likes to strip down for a rub-and-tug at the local massage parlour. Life s pretty cruisy for Hector. Until one day, whilst enjoying one of his massages , the parlour is raided by police and Hector snatches up his clothing, fleeing naked to a nearby park. He shelters behind some shrubs, but is discovered and filmed on a mobile phone by two schoolgirls. To his astonishment, he is rescued by the very embodiment of one of his idols, Marc Bolan, the late singer with T-Rex. As Hector s marriage falls apart in the wake of the mobile phone footage, he is erroneously accused of taking a bribe and forced to stand aside from his job. Hector has to deal with the emotional fall-out of these upheavals, being supported by a colourful cast including his oafish best mate, his sister who just wants to get married to her partner (another woman), his new friend Kat, a rambunctious Doberman, Seventies tribute artists, and his new landlord-cum-benefactor, the world s most accurate Marc Bolan impersonator. Silver Studs and Sabre Teeth is a compelling, rollicking, rollercoaster tale of one man s journey from the ordinary to the extraordinary with much drama and mischief on the way.
