Reviews

This published pdf is wonderful. it was writtem really completely and valuable. I found out this book from my dad and i recommended this pdf to find out.
(Dr. Bryon Gleichner)

FORT WORTH: A TEXAS ORIGINAL! (PAPERBACK)

[DOWNLOAD](#)

Texas State Historical Association, U.S., United States, 2004. Paperback. Condition: New. Language: English . Brand New Book. Fort Worth has been called the City Where the West Begins, Cowtown, and the silent partner in the Dallas/Fort Worth Metroplex. None of these descriptions quite tells the story of this city and its people. Since its founding in the mid-nineteenth century as a military outpost, Fort Worth has gone through many phases - cattle, oil, aviation, and tourist. The little village on the Trinity has grown up to become a global city that is a melting pot of economic forces and diverse cultures. At its most basic, Fort Worth's history is the story of leadership, of how men and women of vision built a flourishing community at a river crossing on the north Texas plains. Through troubled times - the 1850s, the Civil War, the 1930s, the 1970s - the leadership kept its eye on the future. The city pulled itself through the down times - and put itself on the map - by visionary projects like the railroad, the Spring Palace, the Stockyards, Camp Bowie, the Bomber Plant, and Sundance Square. This book helps to put a modern face on Fort Worth, move it out of the shadow of Dallas, and place it firmly in the twenty-first century. The book is illustrated with many historic photographs, including: a pair of Wichita Indians; Main Street in old Fort Worth; the current Tarrant County Courthouse, under construction in 1895; Fort Worth Medical College, opening in 1893 as just the third medical school in Texas; Fort Worth's Meacham Field in its early years (ca. 1926) and Meacham field in 1937; the Boeing B-29 and the Convair B-36 side by side at Carswell Air Force Base; Pig Stand drive-ins; the Fort Worth Cats and...
