

Growth and Policy in Developing Countries: A Structuralist Approach (Hardback)

By Jose Antonio Ocampo, Codrina Rada, Lance Taylor

Columbia University Press, United States, 2009. Hardback. Condition: New. Language: English . Brand New Book. Economic structuralists use a broad, systemwide approach to understanding development, and this textbook assumes a structuralist perspective in its investigation of why a host of developing countries have failed to grow at 2 percent or more since 1960. Sensitive to the wide range of factors that affect an economy's strength and stability, the authors identify the problems that have long frustrated growth in many parts of the developing world while suggesting new strategies and policies to help improve standards of living. After a survey of structuralist methods and post-World War II trends of global economic growth, the authors discuss the role that patterns in productivity, production structures, and capital accumulation play in the growth dynamics of developing countries. Next, it outlines the evolution of trade patterns and the effect of the terms of trade on economic performance, especially for countries that depend on commodity exports. The authors acknowledge the structural limits of macroeconomic policy, highlighting the negative effects of financial volatility and certain financial structures while recommending policies to better manage external shocks. These policies are then further developed through a discussion of growth...

Reviews

If you need to adding benefit, a must buy book. Better then never, though i am quite late in start reading this one. I discovered this publication from my i and dad advised this pdf to find out.

-- **Mrs. Glenda Rodriguez**

An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).
