Mind Sciences - How Do I Let Go is an amazing book dealing with the science behind a persons inability to let go of things in life that are harmful whether it is a bad relationship, a physical object, a belief, an addiction, habit or compulsion. How Do I Let Go takes into account and encompasses how to let go, to let go, let go of, letting go, letting go of the past, letting her go, on letting go and at first these may seem like double speak but after closer examination you will see that these are separate and distinct topics. I have written over 200-books published on Amazon alone but this book is one of the most important ones I will write. The subject matter hits very close to home personally. Everybody on the planet has loved and lost. In my personal...
