America Star Books, United States, 2006. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. Moving Experiences are the childhood memories and imaginations of the author, who grew up in the northwestern corner of Arkansas during the a40s and a50s. His parents were farm laborers who married during the Depression and struggled to raise a family of seven. The authoras family moved more than a dozen times before they settled at 101 Lake Street in Bentonville, where his mother put her foot down and said they would move no more. It was there that the author learned to work and play with reckless abandon. At sixteen, the author left his family to work on his uncles farm near Calico Rock and built the values and visions that never left him.
