Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.As a GenXer in the 1980s, I grew up as a latch-key kid. TV, movies, and video games vied for my siblings and my attention as we ate junk food. Yet, I became a reader at an early age, majored in English post-high school, and became a teacher and writer. Something about my childhood encouraged me to become a life-long reader. What was it? SCAFFOLDS: A CHILDHOOD MEMOIR OF BOOKS is about the meaningful books I read when I was a kid and teenager. But the key to creating a life-long reader isn't just with books alone. SCAFFOLDS is for non-readers, new readers, and kid readers who grew up and never lost their childlike love for good books and good stories. Kids, like me. And kids, like you.
