Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Shakespeare s Macbeth: An Oriental Study Shakespeare has been pronounced to be the greatest poet and dramatist the world has ever known. The recognition that he received during his life-time was not very enviable and surely the deer-stealer could not even dream, far less believe, that there would come a time when his name would be gifted with the power of conjuration. With his death his plays sank into oblivion from which Garrick, some two centuries afterwards, raised them to light again, and they have, ever since, been blanketed, as it were, from the four quarters of the globe. Indeed, his merits have been so exhaustively dealt with, that not a sheaf has been left for the despairing gleaner. So if we wish to say anything about this.
