Complete guide! Its such a great study. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Excerpt: . . . 11 advertised as alcohol-free, but in reality they are venues where ec-stasy and other drugs are openly sold. Now, I want to reiterate - and I will be brief; I see the red light is on - there is no single solution to this very complex challenge that we face. This is going to take entire communities working to-gether and realizing that it is everyones responsibility. Personally, for my part, on the demand side I volunteer in the Boy Scouts of Americas law enforcement Explorer program and in traditional scouting, and I see firsthand how dedicated prevention strategies can positively affect our youth. Parents, teachers, reli-gious community leaders, as well as law enforcement play a vital role in our National drug prevention strategy. I mentioned earlier that DEAs primary mission is law enforce-ment. Education, prevention, and treatment are long-term solu-tions, and law enforcement must remain a strong partner for this approach to have a positive impact. I look forward to working with this Committee, with the entire 107th Congress, and with our new administration in helping to minimize the burden that has been placed on our society by this tragic issue. Thank you. The prepared statement of Mr. Marshall follows: P S D R. M, A, DRUG REPAERED TATEMENT OF ONNIE ARSHALL DMINISTRATOR E A, U. S.
