Adams Media Corporation, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. Think outside the puzzle with this book! Combining the simplicity of word search with the creativity of magnetic poetry, this clever book dares you to black out words and phrases and transform classic pieces of literature into outrageous, poetic, or truly bizarre messages. Use the words in the following passage to form a profound statement worthy of a fortune cookie. Elizabeth was too much embarrassed to say a word. After a short pause, her companion added, You are too generous to trifle with me. If your feelings are still what they were last April, tell me so at once. My affections and wishes are unchanged, but one word from you will silence me on this subject for ever. Elizabeth, feeling all the more than common awkwardness and anxiety of his situation, now forced herself to speak; and immediately, though not very fluently, gave him to understand that her sentiments had undergone so material a change, since the period to which he alluded, as to make her receive with gratitude and pleasure his present assurances. The happiness which this reply produced, was such as he had probably never felt before; and he expressed himself on the occasion as sensibly and as warmly as a man violently in love can be supposed to do.--From Jane Austen's Pride and Prejudice Finally, here's your chance to pour your heart out. So go ahead, light a candle (or two) to set the mood and start scribbling outside the lines!.
